

CLIENT RESPONSIBILITY AGREEMENT COVID Support

Metatronic Healing® is a powerful complimentary healing art. During a session, it is possible that feelings of deep relaxation and oneness can and do occur, as can life-changing realisations. It can also release things which may create various difficult emotional or physical symptoms. This will pass.

I agree that I have read and understood the above paragraph and agree that:

- The Metatronic Healing® practitioner is not responsible for any individual symptoms that may arise as a result of receiving Metatronic Healing® sessions.
- I agree to take personal responsibility for whatever physical or emotional symptoms may arise as part of the healing process of receiving Metatronic Healing® sessions, as well as to take responsibility for seeking medical treatment when I perceive it is necessary.
- I understand that my Metatronic Healing® practitioner is neither a medical professional nor a psychotherapist (unless he/she also holds such degrees) and that he/she is practicing neither medicine nor psychotherapy.
- I understand that although my Metatronic Healing® practitioner may comment on the nature of body energetics and consciousness in relation to disease and mental health, it is understood that these comments are not intended as advice for any course of action for any medical or mental health issues that I may have.
- I understand and agree that Metatronic Healing® sessions do not take the place of medical treatment or evaluations, when needed.
